"Your comfort is important to us."

Premium Podiatry and Wound Care offers mobile podiatry services with the goal of providing the best quality “concierge” healthcare for the comfort and convenience of patients in their homes or facilities.

Our doctors have time to treat patients without feeling rushed or overwhelmed with the stress of a hectic office. Our dedicated team caters to patients by providing exemplary services to patients, home health agencies and others throughout Los Angeles County

Referral Protocol and Questionnaire

Please send an email to referrals@PremiumPodiatryHealthcare.com with the patient's demographics and insurance information. You can also fax this information to (818) 850-1138.

We will respond to your request after patient insurance is verified within 24 hours. For urgent patients, please indicate it in your request.

Once the patient's insurance is verified, we will send a confirmation email with the patient's appointment date and time.
